

List of Schools in Wales

This document outlines the academic and social criteria you need to meet depending on your current secondary school in order to be eligible to apply.

If your school has 'FSM' in the Social Criteria column, then you must have been eligible for Free School Meals at any point during your secondary schooling. If your school has 'FSM or FG' in the Social Criteria column, then you must have been eligible for Free School Meals at any point during your secondary schooling or be among the first generation in your family to attend university.

Exceptions for the academic and social criteria can be made on a case-by-case basis for children in care or those with extenuating circumstances. Please refer to socialmobility.org.uk/criteria-programmes for more details.

If your school is not on the list below, or you believe it has been wrongly categorised, or you have any other questions please contact the Social Mobility Foundation via telephone on **07541 748 224** between 9am – 5:30pm Monday to Friday.
